

MANUFACTURERS CERTIFICATION STATEMENT

Weatheredge Building Components Weatherbest panel qualifies for the American Recovery and Reinvestment Act (ARRA) of 2009 as a qualified metal roofing panel with cool roof technology. All of the standard Weatherbest panel colors meet the minimum TSR rating of .25 when installed on a roof with a slope of 2" per foot or greater (2:12 pitch). Weatheredge's Weatherbest metal roofing panels meet the required standard of "Qualified Energy Property" under the ARRA of 2009 and are therefore deemed eligible for the tax credit under section 25c of the Federal Internal Revenue Code for the tax years 2009 and 2010.

Please retain this statement, along with your proof of purchase, for tax filing purposes. For more information about this tax credit, please consult a tax professional.
